- Birth Wt. 75 lbs.
- Here is a female that combines years of history at the Ohio Beef Expo and at Lazy H. The Priceless donor has produced many good ones time and time again and then if you add in U Nights Misti the list is even longer. I encourage you to view the cow cards of Priceless and Night Misti. The programs of Ferguson Show Cattle, Hudson Pines, Sloup, Reality Farms, Janssen Farms, HilCo and many others have done well with this family. C510 will be an awesome cow because of her soundness, power and depth. This cow family offers style, marketability, and a good end product each calving season.
